The excess expenditure under "Establishment" is consequent on the revision of scales of pay sanctioned by Government. Sanction of Government should have been obtained to meet the excess by re-appropriation before the close of the financial year. Since it was not done and as the financial year 1947-48 is closed, it does not appear to be necessary to sanction the reappropriation as proposed by the Municipal Council. The excess expenditure will affect the closing balance of the Municipality for 47-48 and it would therefore be enough if the excess expenditure under "Establishment" is authorised to be passed in accounts

Sir,

Subject - Excess expenditure incurred under E2 (a) Establishment- Conservancy and Sanitation, during the year 1947-1948

In enclosing herewith a copy of the resolution of the Municipal Council passed at their meeting held on 28th July 1948 on the above subject, I write to state that a sum of Rs 8,750/- was provided in the sanctioned Budget for the year 1947-48 under E2 (a) Conservancy and Sanitation Establishment, towards the establishment charges of conservancy and sanitation staff. Since the scales of the Municipal Employees were revised by the Municipal Council during the month of October 1947 in view of the General Revision sanctioned to non-gazetted employees of Government Departments and as the minimum pay of these staff was paid from September 1947, and the arrears of pay paid to the sweepers at the revised scale from 1-1-1947 in anticipation of sanction to avoid a threatened strike, a sum of Rs 10,209-4-0 was expended under conservancy and sanitation establishment during the year 1947-48 as against a sum of Rs 8,750/- sanctioned for the purpose. Thus an excess expenditure of Rs 1,459-4-0 was incurred over the sanctioned amount provided in the budget under E2(a). As this expenditure exceeds the budget grant, the Municipal Council have sanctioned the excess expenditure by re-appropriation to meet out of the savings under "Development of Colony". Under Rule 27(2) of the Municipal Accounts Manual, re-appropriation of budget grants for purpose of increasing expenditure under establishment requires sanction of Government.

I therefore request you to kindly obtain us sanction of Government for the excess expenditure incurred under establishment charges by re-appropriation as resolved by the Municipal Council.

Yours faithfully,

B.M. alah
President.
